

EPIC SHT GIN ABV: 44% / 88 proof - 750ml bottle - Released May 2018

Handmade in small batches on the Isle of Whidbey, Washington. Distilled from Corn - 18th Century Recipe. Cadée Gin is exquisitely balanced. Traditional London Dry Gin Finished in First Pour Cadée Traditional Bourbon Barrels.

Nose: Great nose of vanillin and botanicals lead to spiced vanilla and roasting caramel that blend seamlessly with the rich Bourbon oak finish creating a wonderful marriage of both Gin and Bourbon in a glass. Terrific as a Negroni or Old Fashioned or simply over the rocks with a twist. This is truly Epic Sht!!
