

## DECEPTIVUS BOURBON WHISKEY ABV: 42.5% / 85 proof - 750ml bottle

Handmade in small batches on the Isle of Whidbey, Washington.

**Nose:** Hints of light apple, nuts and charred oak. Letting it open up for a few minutes the scent profile changes to something quite different with the nuttiness mellowing out and being dominated by cinnamon, spiced apples and fresh wood. **Aging:** Aged in new American Oak barrels and then finished in imported Sandeman 20-year-old French Oak Ruby Port barrels.
