

MEDUSA SELECT RESERVE AMERICAN WHISKEY ABV: 40% / 80 proof - 750ml bottle

Released September 2018

Handmade in small batches on the Isle of Whidbey, Washington.

Nose: Sweet on the nose with an array of spices and the smell of the sea. This “Straight Bourbon Whiskey” is matured in 10-year-old Madeira wine barrels imported from Spain. Very smooth notes of toffee and mild spice give way to a lingering caramel Madeira blush. A true gateway whiskey that calls out to new and seasoned tasters.
